

### Context for 2010 Financials

Our Financial Report provides information on the money we received and spent in 2010 to deliver on the four strategic directives developed by our Board.

With this depicted financial position in 2010, we achieved the following:

1. Model excellent leadership and people engagement practices
  - Engaged external talent (volunteers) in 100% of programs
  - 100% of the external talent team (volunteers) expressed they were “very” or “somewhat” satisfied with their role
2. Maximize focus on people engagement practices in organizations in the voluntary sector
  - Delivered learning opportunities to 1,069 people
  - Developed and delivered learning opportunities to 10 groups in the Fraser Valley and 34 Boards of Directors
  - Offered **advanced** learning for 11 Executive Directors and 24 members of Boards of Directors
  - Constructed customized learning opportunities for 1 management team
3. Extend reach with scalable services
  - Worked with 626 not-for-profit organizations
  - 4,225,319 page views on [govolunteer.ca](http://govolunteer.ca)
4. Develop reputation as an expert in best practices for people engagement
  - Responded to requests from 38 organizations outside Metro Vancouver
  - Interacted on 90 occasions with other leadership organizations
